DAVIDsTEA's Superfood Hot Chocolate Collection

- **Organic Mint Chip Matcha:** You know those post-dinner mint chocolates that you love? This is better. What could make mouth-cooling mint and velvety chocolate even better? Green tea matcha powder of course! Now that's what we call a match(a) made in heaven. We turned it into a rich hot chocolate bound to become your go-to dessert in a cup.
- **Organic Shroom Boom:** It's getting hot in here! This rich super powered hot chocolate is serving you decadent fire. Rich cocoa, adaptogen chaga & reishi mushroom powder, black tea and a dash of cinnamon come together for a fiery drink that tastes like a Mexican hot chocolate. Oh, did we forget to mention we put chili in there? Get ready for a ride, this treat is packing serious heat.
- **Organic Loco Lucuma:** Practically dripping in mouth-watering honey, hydrating rooibos and rich lucuma, this luxuriously earthy blend makes giving in feel oh so good. We suggest adding a cloud of frothed milk for a hot chocolate treat you'll be telling everyone about.
